Five Favorites and a Second Choice Land Money at Gravesend Good Racing in Mud.****In the last race at Gravesend yesterday, which was for maiden three-year-olds and upward at a mile and 70 yards, C. Simms & Co.'s bay filly Dactyl, by The Berd-Maumee, ridden by Slack, was quickly tipped.****The information came from rail birds and stable boys, who said that the filly had a world of speed and was not to be beaten.****The who had her won and they were not limited to a handful—went after the 20 to lead against Dactyl until the price had been reduced to 11 to 1. Frederick Gehardt's Zeus had done some fast work in private and was the medium for a rush of educated money that cut the figures from three to 9 to 5. The Messis Keene, All Saints, with Shaw up, had opened first choice at two, but at post time the filly's price was 11 to 5. Roxane was a strong choice for the place, and so was Mark Twain.****The starters got away from the barrier in front of the stand in excellent fashion. It was a runaway then between Roxane and Zeus, heads apart. Five lengths back at the quarter pole came Mark Twain, Beautiful, Isaac Hopper, Dactyl and All Saints strong out in Indian file, the mud flying in their faces. At the half Roxane and Zeus were still neck and neck, with Dactyl in third place, running so fast that he was cutting down the advantage of the two leaders with every leap. Dactyl overhauled Zeus at three-quarters of a mile, with Roxane following by a half length. Mark Twain and All Saints were ten lengths behind the王者, then, but as the semi-furlong approaches approached All Saints came up with a great burst of speed. Dactyl, All Saints and Roxane had then a sensational run to the wire.****They heads apart opposite the betting ring and so close together that a big blanket might have covered all three jockeys. Suddenly Dactyl humped into Roxane and threw the latter over onto All Saints, so that the Keene filly was jammed toward the rail and was unable to go through as Shaw had intended to do. In a whipping finish, Dactyl finished a neck in front of All Saints, who was a head before Roxane. Zeus was four lengths back. The players of Dactyl ran screaming and yelling into the betting ring to cash, while the All Saints people cried "foul." Shaw clambered up into the judges' stand and lodged a protest with the stewards, but the official track steward interfered with Roxane, who had the crowd on his side. Shadrach Shandor, while Shandor's explanation was that Dactyl could not be kept straight when he went to the wire, the stewards, after consulting with the other officials, disallowed Dactyl, which placed All Saints, Roxane and Zeus in the first three places.****While at the post in this race jockey Mowen was given a neck.****Through the weather was gain disagreeable, 4,000 enthusiasts turned out and found that the race in almost every respect were run to the satisfaction of the fans. The choices took the purse. Shadore three wins and five furlongs, with Shaw up, was favorite at 11 to 5. Tuhua and Dandy were second and J. Morris' Silverhaven third. Four horses ran. The betting was 2 to 1 against Biddo, 7 to 4 against Lovatin and 5 to 2 against Silverhaven. "Clem" Jenkins, the American jockey, rode the winner.****The Phillips' Maiden Plate of 100 sovereigns, one mile, at Manchester to-day, was won by Frank Gardner's Enclosed with "Clem" Jenkins in the saddle. W. C. Whitney's Delacy with Lester Bell up, was second. The betting was 5 to 2 on Enclosed.****The Bradford Water Handicap Plate of 100 sovereigns seven furlongs, won by W. C. Whitney's Faisan d'Or, with J. Reffell up. C. J. F. Fawcett's Carpet Knight was second and A. Stedall's Companion's Jewel third.****Four horses ran. The betting was 2 to 1 on Faisan d'Or, 4 to 1 against Carpet Knight and 10 to 1 against Companion's Jewel.****RESULTS ON OTHER TRACKS.****Hillside Track Tabbed by N. C.
